Hiya, we had a wedding with you on the above date for my reception meal and I just wanted to thank you & your staff for everything. We had a wonderful time & all your staff were very friendly & helpful, so thank you for everything the food was lovely!

We're hoping to come back in February 2010 to see Lake Tahoe in the snow, myself & my husband, so we will be sure to come in for a meal as we enjoyed visiting your restaurant that much.

thanks again

Love Linda & Chris x
